In order to ensure that an inscription will fit on the plaque, please note the following:

Inscription letters are all the same size. Due to the tablet being circular, less characters will fit on the first two lines and the last two lines and suggest using line three and four for the name. Please do not forget to include spaces in your inscription. A space counts as a letter or number. We will centre the text on the tablet, this guide box is only to aid your choice of inscription.

The inscription must be clearly written in block capitals. We are unable to accept responsibility for an incorrect inscription due to illegible or ambiguous writing.

The name uses a larger typeface than the remainder of the inscription, therefore it may not exceed more than 15 letters and/or spaces per line. Lines not used for names may have a maximum of 20 smaller letters and/or spaces. A maximum of two lines should be used for names. If a third line is required for a name then line six may not be used. **Please do not forget to include spaces in your inscription.
